PUBLIC LIABILITY INSURANCE

What it is:

Public Liability Insurance protects Licensees against any liability claim from a third party arising from bodily injury or property damage that is associated with their Beach Box up to the Cover amount.

The Department of Energy, Environment and Climate Action (DEECA) (formally DELWP) *Guidelines for the management of existing bathing boxes and boatsheds on marine and coastal Crown land - March 2022* – Clause 3.2.2 requires “All licensees must take out public liability insurance for their bathing box or boatshed”.

Membership of the MPBBA (the Association) provides Public Liability Insurance for the Licensee and the relevant Committee of Management is notified of your cover.

If requested by a Committee of Management, the Association will notify them that you have obtained public liability insurance through our Association. Payment of your membership fee authorises the Association to notify the relevant Committee of Management of the beach box that has insurance linked to it through membership.

Cover:

\$20 million per claim

Excess:

\$1000 per claim. The Association is not responsible for this excess and by paying your membership fee, you accept that you are liable for the first \$1,000 of any claim. We cannot arrange for cover in relation to the \$1,000 excess.

Certificate of Currency:

You will automatically receive a Certificate of Currency as evidence of your cover.

Policy wording:

The Policy document is available on request to the Association at info@mpbba.org.au

Disclaimer:

You should read the Certificate and Policy to ensure that the cover is adequate for you and, if necessary, consult your own insurance broker. **The Association is not responsible for the adequacy of the Group Public Liability Insurance to suit the circumstances of any individual member, either in relation to the amount of insurance or the wording of the Policy.**

For further information please contact Vicky Sapkin, Administration Officer on 0447 321 257.
